The First EV-Charge Zone in Central Business District is open!

To drive towards the vision of "Zero Carbon Emission • Clean Air • Smart City", Wilson Parking has set up the first EV-Charge Zone at Admiralty Car Park for electric vehicle drivers! The EV-charge bay surcharge on the use of EV bays will effectively avoid EV-charge bays being occupied by non-EV users or users' vehicles that do not need charging. Furthermore, more EV-Charge Zone will be extended to other Wilson's car parks with introduction of online booking service in the near future.
